

TRAILHEADS

FOUR PEAKS WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below:

Oak Flat - From Punkin Center, drive south on State Highway 188 approximately 10 miles to Three Bar Road 445. Turn right and follow this road approximately 6 miles to the trailhead. High-clearance are recommended; a 4WD maybe needed near the trailhead. Trail accessed:

Oak Flat Trail 123.

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
